

WANTED: A versatile Sexual Health Outreach Educator at ACT!

WHY WORK AT ACT?

At ACT, we work with our member agencies to improve the lives of people impacted by HIV/AIDS through care and supportive services, housing assistance, advocacy, trainings, and prevention. We are a non-profit organization that is passionate about our work and strive to lead through innovation, make measurable progress, collaborate for greater impact, and respect the choices of our clients.

WHAT WILL YOU DO AS SEXUAL HEALTH OUTREACH EDUCATOR?

You will do a lot! Most importantly, you will conduct outreach and deliver culturally appropriate risk reduction messages on the streets, in area shelters, at community-based organizations, at events, at the Connections Wellness Center, and other locations. You will maintain working relationships with priority populations, recruit participants for prevention and harm reduction interventions, and refer individuals to supportive services.

But wait, there's more! You will collect accurate activity data and enter that data into the agency's data collection systems in a timely manner. If you are a certified HIV or HCV tester, you will also provide testing; if you're not a certified tester, no worries—we will train you!

You **MUST** be comfortable talking about sexual health matters – body parts, diseases, sexual practices, prophylaxis, and the like – with a variety of audiences (from middle schoolers to the 50+ crowd, of all genders, races, socioeconomic statuses, etc.).

YOU MAY BE A GOOD FIT IF YOU:

- Believe in our mission and core values
- Are excited by the job duties
- Have at least one year of outreach experience or BA/BS in Public Health or related field
- Are comfortable working in a sex positive environment where HIV/STIs, sexual behavior and prophylaxis are routinely discussed
- Have a non-judgmental attitude when working with people of diverse backgrounds and viewpoints
- Are comfortable talking with people of varying race, ethnicity, sexual orientation, gender orientation, socioeconomic status, etc. and with handing out condoms, lubricants, safer injection supplies, etc.
- Have excellent written and verbal communication skills
- Are a critical thinker, a problem solver, and resourceful
- Are creative, flexible, and able to work as part of a team
- Enjoy working in a fast paced environment
- Are organized and able to manage your time independently
- Are able to work occasional weekend and evening hours

BONUS POINTS IF YOU:

- Are able to speak, read, and write in Spanish
- Have familiarity with priority populations including men who have sex with men (MSM), people who inject drugs (PWID), youth, and people living with HIV/AIDS (PLWHA) and their partners
- Have strong computer skills, including proficiency in the Microsoft Office Suite and experience with data entry
- Are a trained HIV and/or HCV tester
- Have a personal connection to AIDS Connecticut

WHAT WE OFFER FULL-TIME (35 hours per week) EMPLOYEES:

- Dedicated, diverse, and friendly co-workers
- 12 agency holidays
- Generous paid time off
- Agency-subsidized medical, dental, and vision coverage and 100% paid short-term/long-term/life insurance
- 403(b) retirement plan with employer match of 50% up to 3% of pay
- Free off-street parking

SOUND LIKE A GOOD FIT?

If so, please send your resume and cover letter expressing interest in our mission to apply@aids-ct.org with "Sexual Health Outreach Educator" in the subject line. Resumes received without a cover letter that demonstrates knowledge of ACT and a clear statement of how our mission aligns with your goals will not be considered. Candidates will be considered on a rolling basis until the position is filled. Due to the anticipated volume of responses, we will contact only those top candidates who most closely match our requirements. This is a non-exempt position with a pay rate of \$17.00 per hour for a 35-hour work week.
